INTRODUCTION OF THE VALEDICTORY

*Colleen Khoury**

Since 1998, David was asked by successive graduating classes to speak at their commencement exercises. The valedictory address he delivered on each of those occasions was pure David—brief, seemingly simple, and filled with much wisdom and lots of good cheer. It seemed to many of us at the Law School to be the perfect tribute to David and all he taught us.

* Dean and Professor of Law, University of Maine School of Law.
